 Live Mentorship Program

 Duration: 4 Weeks

HackSchool, where your growth matters the most, is an academic bridge of BrandHackers – an agency of growth hacktivist headquartered in Calicut.

Degrees from prestigious colleges might grant opportunities, yet they often carry steep costs and no assurance of success. Our alternative? A personalised, affordable, and effective path for your growth without the hefty price tag.

Our career-centric programs integrate theory with practical application, equipping you with real-world skills. Get ready for what's ahead with exclusive modules on using Generative AI in your field.

Mohammed Rifahath
Managing Director, BrandHackers
